

**JEOL Asia Webinar**

# ***TEM Sample Preparation in Biological Science***

**30<sup>th</sup> June 2021 (Wed)  
15:30 – 17:00 (Singapore time)**

**About the speaker**

Having my research background in university for three years and I joined to JEOL ASIA in 2013 as an application engineer. My main interests are life sciences and material sciences with TEM and SEM. I support customers in sample evaluation, instruments training, technical presentation, and application development.

**Presenter: Anna Liew Hwi Fen**

**Title: Senior Application Engineer (SEM & TEM), JEOL ASIA PTE. LTD.**

**Who should attend?**

Those interested in gaining a broad knowledge of biological specimens preparation for TEM observation.
