Community Engagement in Service

### Community Engagement In Research:

Community-Based Participatory Research (CBPR) :

Is a collaborative approach to research that equitably involves all partners in the research process and recognizes the unique strength that each brings. CBPR begins with a research topic of importance to the community and has the aim of combining knowledge with action and achieving social change through the advancement of knowledge through practice. CBPR is commonly used among researcher and practitioners trying to find answers to questions to better understand and address issues of community concern.

### Community Engagement In Service:

Civic Engagement : is service that reflects personal interests and activities performed as a citizen (after work hours or on personal time). Examples of these activities could include volunteering at a local youth club, hospital, library, or coaching a sport team

Community Service : is engaging with the community to provide services for the benefit of the community and may not require specific academic preparation or be linked to specific curricular or research activities

### Community Engagement In Teaching & Learning :

Community-Based Learning (CBL):

Is a pedagogical approach that explicitly engages students in studying community issue in order to increase students' understanding and application of academic content.

Service-learning (SL):

Is a teaching and learning approach that provides opportunities for students to apply academic knowledge and skills to respond to identified community needs and enrich the learning experience through guided reflection. The key components of service-learning include

- i. The explicit connection of academic material within a course (credit bearing) and its application to community needs;
- ii. The active reflection by students to foster critical and reflective thinking and enhance the understanding of academic content and social issues.

## ANALISIS - PRE AND POST 2CT18 FESTIVAL

## 3 Star: Survey form & Analysis

### Objektif 1: Mengkaji tahap pemikiran kritis dan kreatif dalam kalangan responden sebelum dan selepas kedua-dua program

Kesemua 32 orang responden yang hadir ke program-program tersebut telah mengisi borang soal selidik sebelum, selepas program pertama dan selepas program kedua. Jadual 1, Jadual 2 dan Jadual 3 menunjukkan tahap pemikiran kritis dan kreatif secara keseluruhan, dan mengikut dimensi 'know what' dan 'know how'. Secara amnya, tahap pemikiran kritis dan kreatif adalah sederhana sebelum apa-apa program dijalankan. Setelah program pertama dijalankan, didapati tahap pemikiran kritis dan kreatif meningkat dan berada pada tahap yang tinggi. Corak peningkatan ini juga dapat dilihat setelah program kedua dijalankan yang mana tahap pemikiran kritis dan kreatif berada tahap yang lebih tinggi pada masa ini. Secara lebih spesifik, tahap 'know what' pemikiran kritis dan kreatif dalam kalangan responden juga berada pada tahap sederhana sebelum kedua-dua program. Setelah program pertama dijalankan, peningkatan telah dicatatkan kepada tahap yang tinggi, dan ini juga dapat dikekalkan setelah program kedua. Malah, catatan nilai min semakin meningkat setelah program kedua dijalankan. Selain itu, tahap 'know how' pemikiran kritis dan kreatif dalam kalangan responden juga meningkat, daripada sederhana sebelum kedua-dua program, dan tinggi setelah program pertama dan kedua dijalankan. Kesimpulannya, kedua-dua program telah Berjaya meningkatkan tahap pemikiran kritis dan kreatif dalam kalangan responden. Lebih menarik, kenaikan ini dicatatkan bagi kedua-dua dimensi 'know what' dan 'know how'.

**Objek Kedua: Pengunjung Muzium Nelayan Tanjung Balau (ELUM)**

Penerangan kepada 24 pengunjung (12 perempuan, 12 lelaki) yang berminat untuk menyertai kajian dengan 12 orang (50%) ialah pelajar manakala selebihnya (50%) bukan pelajar iaitu sama ada ibu bapa (9 orang) atau/dan individu bekerja (11 orang) iaitu 3 ibu/bapa tidak bekerja. Didapati hanya 24% subjek mengetahui apa itu AR dan 9% sahaja yang pernah mencuba aplikasi AR.

Bahagian B: Pengetahuan subjek sebelum menyertai kajian

**2) Subjek Kedua: Pengunjung Muzium Nelayan Tanjung Balau (SELEPAS)**

Selepas sesi taklimat dan latihan ringkas penggunaan aplikasi AR di galeri Rumah Nelayan, Muzium Nelayan Tanjung Balau, semua subjek menunjukkan maklum balas positif dalam ketiga-tiga aspek: i) memenuhi keperluan komuniti iaitu pengunjung muzium (ii) perubahan pengetahuan, sikap, kemahiran dan aspirasi (ii) melaksana perubahan. Didapati para pengunjung bersedia untuk menggunakan teknologi AR seperti FishAR di muzium untuk mengetahui artifak lama sebagaimana disediakan di galeri Rumah Nelayan iaitu di segmen dapur.
