Abstract

Write abstract here with the range of words is between 60-100 words. Give concise introduction (or problem), significant methods, significant findings and discussion, and significant conclusion.

Keywords: keyword A; keyword B; keyword C (Give suitable keywords of not more than 5)

Introduction

Start 1st paragraph of Introduction here. Please follow format of reference when citing in the text. The reference format can be either numbering or author system, but please make sure that the format is standardized throughout the manuscript. Reference format (Name 1 et al., Year) or [1].

Start 2nd paragraph of introduction here. Please follow format of reference when citing in the text. The reference format can be either numbering or author system, but please make sure that the format is standardized throughout the manuscript.

Start 3rd paragraph here.

Materials and methods

Start 1st paragraph here.

Start 2nd paragraph here.

Results and discussion

Start 1st paragraph here. Please follow format of reference when citing in the text. The reference format can be either numbering or author system, but please make sure that the format is standardized throughout the manuscript.

Start 2nd paragraph here.

Give figure here (centered)

Figure 1 Give caption here. Provide high quality of figure (Image, spectrum, graph etc) and label all necessary information.

Table 1: Give table title here. Please follow table format here.

Item 1	Item 2	Item 3
Parameter 1	Data 1	Data 1.1
Parameter 2	Data 2	Data 1.2

Start 3rd paragraph here. Please follow format of reference when citing in the text. The reference format can be either numbering or author system, but please make sure that the format is standardized throughout the manuscript.

Start 4th paragraph here.

Conclusion

Start paragraph here. Give very significant conclusion that can conclude the finding.

Acknowledgement

Start paragraph here. Provide research grant provider and number.

References

*Author system (organize alphabetically)

Name 1, name 2, name 3 (Year). Title. Journal Name. Volume(Issue), page-page.

Example:

Li, S., Li, J., Dong, M., Fan, S., Zhao, T., Wang, J., & Fan, W. (2019). Strategies to control zeolite particle morphology. *Chemical Society Reviews*, 48(3), 885-907.

Petrov, A. W., Ferri, D., Kröcher, O., & van Bokhoven, J. A. (2019). Design of stable palladium-based zeolite catalysts for complete methane oxidation by postsynthesis zeolite modification. *ACS Catalysis*, 9(3), 2303-2312.

*Or, numbering system

[1] Name. Year. Title. Journame Name. Volume(Issue): page-page.

Example:

[1] Bhattacharyya, K. G., and Gupta, S. S. 2008. Adsorption of a few heavy metals on natural and modified kaolinite and montmorillonite: A review. *Advances in Colloidal and Interface Science*. 140(2): 114-131.

Additional notes:

- Font type: Calibri, font 11 (Accept title, name and affiliation)
- Spacing: Single, 11 pt, before and after 0 pt
- Reference style: APA system
- Set for either English UK or US and standardized the whole manuscript.
- Please refer to the example of paper for further information.
- Logo of journal is located only at 1st page.
- Maximum page: 4 pages only
