- The Program Leader must be an experienced researcher and have indexed publications in WOS and Scopus within the last 3 years;
- The Tier 1 Project Leader must have lead a project before and have an indexed publication within the last 3 years;
- The Tier 2 Project Leader must have other publications within the last 3 years.

**The duration
of research
project must
not exceed
36 months**

**Project
extension
period is
permitted only
once
(maximum
duration of 6
months)**

**The start
date of the
project is on
1 November
2018**

**The project
shall be
carried out in
Malaysia
only**

Max approved amount:

- RM300,000/program
- Tier 1 – RM100,000/project
- Tier 2 – RM50,000/project

1st year allocation

- Will be disbursed with offer letter

V-Series Capping

- V21000 – 20% from amount approved
- V35000 – 40% from amount approved

2nd & 3rd year allocation

- Disbursement after presentation of program & project progress report
- Subject to panel decision

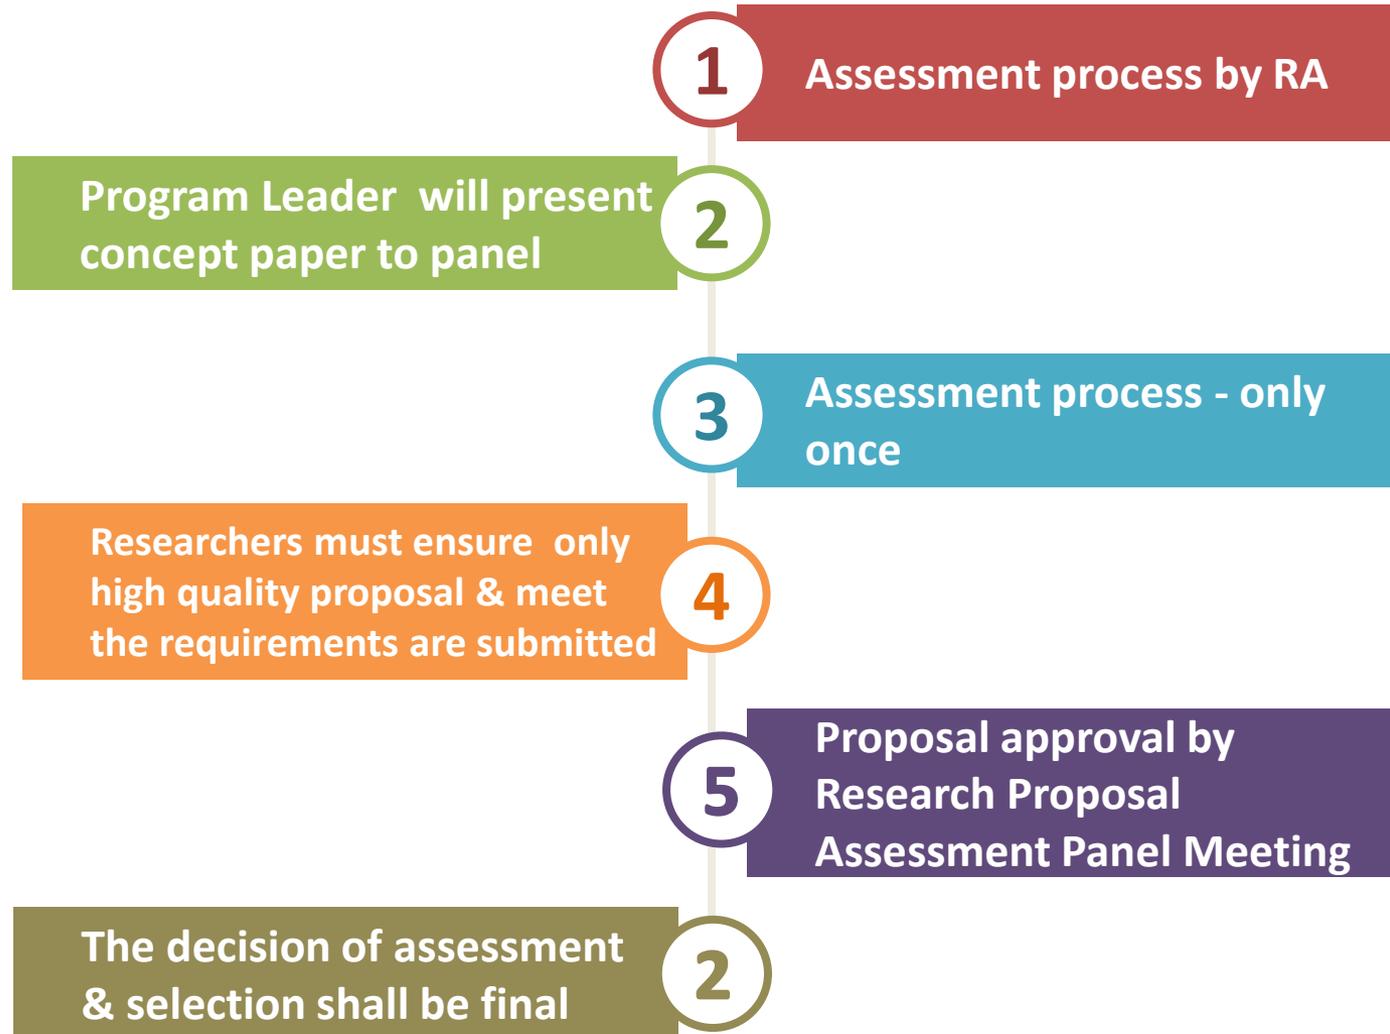

Criteria	Output
Number of Articles in Indexed Journals	<ul style="list-style-type: none"><li data-bbox="832 558 1742 719">i. At least SIX (6) articles in Indexed Journals for each program during the research period<li data-bbox="832 748 1742 851">ii. The Corresponding Author must be the Program/Project Leader
Human Capital (RSG/SPB)	For every RM100,000.00 1 PhD student or 2 master students must be produced

CONCEPT PAPER

Shall be submitted to the RA respectively before specified date

PROPOSAL SUBMISSION

Successful concept papers need to submit proposal in RADIS

NOTE: Rules and regulations imposed by BPKI, KPM shall be adhered.

**Thank
You!!!**
